Foothills FY24 School Improvement Plan

For the 2023-2024 school year, the following goals are our focus.

Performance Goal 1: Graduation Rate as Measured by Credits Earned

In an effort to improve the Foothills graduation rate, we will increase the average number of credits earned per student by .78 credits per year for the next 5 years.

- FY 23 - Average of 2.1 credits earned per student (Baseline Data)
- FY 24 - Average of 2.88 credits earned per student

As of the end of January we're at an average of 1.5 credits/student which is 52% of our annual goal.

Foothills FY24 School Improvement Plan

For the 2023-2024 school year, the following goals are our focus.

Performance Goal 2: Student Performance as Measured by EOC Weighted Content Mastery

In an effort to continually improve student performance, we plan to increase the weighted content mastery percentage by a minimum of 2% per year in each of the state-tested content area, with an overall 10% increase in the course of the next 5 years

Course	State Data (FY22)	Baseline (FY23)	FY24
<i>Algebra 1</i>	54.31	43.75	44.63
<i>Biology</i>	66.36	60.9	62.12
<i>American Literature</i>	63.18	56.1	57.22
<i>U.S. History</i>	74.8	72.08	73.52
