

FOOTHILLS

EDUCATION CHARTER HIGH SCHOOL

**Policy: JGC
Student Health Services**

Board Approval Pending

Foothills Education Charter High School and its' Governance Board realize that Student Health Services is an important aspect of a total school program. With this realization, the Governance Board agrees to the following protocol for general nursing services.

- A. Foothills will work with the local health departments to ensure that all student needs are met in a timely fashion.**
- B. If at any point the services of a school nurse are necessary and go beyond the abilities provided by the local health department, Foothills will contract with a certified nurse in order to meet the needs of the students and the school district.**
- C. Services to be considered include the following:**
 - a. Scoliosis Screening**
 - b. Hearing, Vision and Dental Screening**
 - c. Required Immunization**
 - d. Lice and other infectious diseases**
 - e. AED Training if device is available for Staff**
 - f. Epi-Pen Training for Staff**
 - g. Emergency First Aid Training for Staff**
 - h. Care of Students with Diabetes**

At no time will Foothills employees offer the following services to students:

- a. Distribution of contraceptives**
- b. Referrals to abortion**
- c. Dispensing of abortifacients**
