CHARTER HIGH SCHOOL

**Monthly Site Report:
June 2016**

Highlights:

- As of June 30th, Foothills students have earned a total of 1726.25 credits toward graduation (this includes whole and partial credits).
- As of June 30th, Foothills has 116 total graduates.
 - We anticipate adding to this number by the end of the summer.
- The enrollment at Foothills Education Charter High School as of June 30th is 898.
- There has been a dramatic drop in average nightly attendance in June, which coincides with the traditional summer break. However, attendance at the Burruss site has remained strong.

All data compiled using Infinite Campus. Data were sent to site directors and registrars for review on 7/8/2016. Report finalized on 7/18/16.

Monthly data is subject to change after the date that reports were produced for two key reasons. When EOC scores arrive for a student, credits will be awarded as of the date that the course was finished. In addition, if students are withdrawn for lack of attendance (16 consecutive absences), the student is withdrawn as of the last day attended. These changes would be reflected in year-to-date totals on the next month.
