## FY 24 Foster Care Transportation Plan

The Georgia Department of Education (GaDOE) is required to ensure the educational stability of children in foster care. (ESEA section 1111(g)(1)(E)). In coordination with state and tribal child welfare agencies, the GaDOE must ensure that its LEAs implement the Title I educational stability requirements for children in foster care, including ensuring that:

- A child in foster care remains in his or her school of origin, unless it is determined that remaining in the school of origin is not in that child's best interest;
- If it is not in the child's best interest to stay in his or her school of origin, the child is immediately enrolled in the new school even if the child is unable to produce records normally required for enrollment; and,
- That the new (enrolling) school immediately contacts the school of origin to obtain relevant academic and other records. (ESEA section 1111(g)(1)(E)(i)-(iii)). In fulfilling this role, the SEA should coordinate with the state or tribal child welfare agency to develop and disseminate uniform guidelines for implementing the Title I educational stability provisions. Developing uniform statewide policies and procedures for ensuring educational stability for children in foster care, as many States have already done under the Fostering Connections Act, will facilitate successful implementation at the local level. This is particularly important given the shared agency responsibility for educational stability under Title I and the Fostering Connections Act, and because a single LEA or local child welfare agency will likely have to collaborate with multiple partner agencies in implementing these provisions.

Additionally, the SEA must conduct regular monitoring and oversight to guarantee appropriate implementation of these provisions at the local level. (See 2 C.F.R. §§ 200.331(d), 200.328(a); 34 C.F.R. § 76.770).

On the state level, the Georgia Department of Human Services (DHS), which houses the Division of Family and Children Services (DFCS) periodically sends a list of children in foster care that are flagged in the GaDOE's student information system for information sharing and reporting purposes. On the local level, LEAs are now able to retrieve a list of children in foster care to better identify and provide services. LEAs are to continue collaborating with their local child welfare agencies and may periodically receive information directly from foster parents, Court Appointed Special Advocates (CASA), DFCS case workers, or Education Support Monitors (ESM), within the Educational Programming, Assessment and Consultation (EPAC) unit of DFCS. Once identified, LEAs must implement its plan to ensure educational stability for children in care. For the best interest of the children in care, LEAs should follow all mandated regulations under FERPA and keep the status of these children confidential.

As a result, the GaDOE is requiring all LEAs, including virtual schools and charter schools that function as an LEA, to complete a Foster Care Transportation Plan. The plan should be completed in addition to the development and implementation of written transportation procedures and the identification of a Foster Care Point of Contact. Please complete this plan and return it by:

### Instructions for submission:

- After the LEA superintendent signs the assurances, scan the entire document as a PDF and save it as the "FY 24 Foster Care Transportation Plan".
- Upload the signed PDF version of the document to the CLIP online portal via the Consolidated Application for FY 24.

## FY 24 Foster Care Transportation Plan

**NOTE:** *In order to answer the questions below, refer to the [Non-Regulatory Guidance: Ensuring Educational Stability for Children in Foster Care](#).*

### I. Foster Care Transportation Plan: PLANNING

A. The LEA's role is to have a transportation plan in place for children in foster care to their school of origin. Describe your plan to:

1. Coordinate transportation with the local child welfare agency.
2. Implement steps to be taken if additional costs are incurred.
3. Execute the local dispute resolution process.

Include the roles of key players (e.g. LEA Foster Care Point of Contact, LEA Superintendent, LEA Federal Program Director, EPAC Unit Education Support Monitor, Case Worker, Court Appointed Special Advocate, Juvenile Court representative, etc.) *Please limit the response to 1,000 characters.*

The Regional ESM POC for Foothills Regional High School will invite the Foothills Foster Care POC to the "Best Interest Determination" meeting for any foster care student considering Foothills for placement. Foothills Foster Care POC will communicate and update foster care placement with Foothills Superintendent, Federal Programs Specialists, Data Coordinator to ensure foster children are placed appropriately and have supports in place for success. Foothills Regional High School does not provide transportation for any students.

If Foothills is determined to be the best placement of a Foster Care student the Regional ESM POC will coordinate and communicate the transportation plan. Transportation to Foothills will be the responsibility of the placement guardians and/or DFACS as determined by the Regional ESM POC.

If disputes arise the POC for both Foothills and the DSM will meet to discuss transportation options.

B. What steps should an LEA and local child welfare agency take to ensure that transportation is provided immediately, even if they face difficulty reaching agreement on how to pay for additional transportation costs? *Please limit the response to 1,000 characters.*

DSM POC will communicate with the placement guardian the "Best Interest Determination" meeting results and transportation expectation. The DSM POC will coordinate with the Foothills Foster Care POC at the "Best Interest Determination" meeting the expected start date of the foster care student and transportation plan to ensure the educational stability of the foster care student. Foothills will also consider services through the Virtual Campus on a temporary or permanent basis when a transportation hardship exists and virtual services are appropriate to meet the student's educational needs.

C. The LEA must designate a Foster Care Point of Contact that coordinates with the local child welfare agency. Describe the point of contact's role and responsibilities. *Please limit the response to 1,000 characters.*

The DHS within DFACS Educational Support Monitor will initiate the communication with the Foothills Foster Care POC to invite to the "Best Interest Determination" meeting. The Foothills Foster Care POC will put in place additional student supports by informing the site director and the local social worker. The Foothills POC will keep the Superintendent and data coordinator abreast of all foster care students attending Foothills Regional High School.

### II. Foster Care Transportation Plan: GUIDING QUESTIONS

A. If a child is placed within the LEA's school attendance area and projected transportation cost are negligible, transportation should be immediately provided without supplemental assistance from the local child welfare agency. If there are additional costs incurred in providing transportation to maintain children in foster care in their schools of origin, the LEA will provide transportation to the school of origin if:

### ASSURANCES

By checking the box beside each statement and by affixing my signature to these Assurances, I certify that I have read each and agree to be held accountable for the content of each of the following statements:

- ☒ The LEA will collaborate with state or local child welfare agency to develop and implement clear written procedures governing how transportation to maintain children in foster care in their school of origin when in their best interest will be provided, arranged and funded for the duration of time in foster care.
- ☒ The LEA ensures that children in foster care needing transportation to the school of origin promptly receive such transportation in a cost-effective manner.
- ☒ The LEA ensures that children in foster care remain in the school of origin while any disputes regarding transportation costs are being resolved.
- ☒ The LEA will collaborate with State or local child welfare agency to provide transportation if a child is placed in foster care placement across district, county, or State lines.
- ☒ In accordance to the Every Student Succeeds Act (ESSA) and the Fostering Connections Act, the LEA will continue to provide transportation to children that exited foster care for the remainder of the school year, if it is in the best interest of the student.

I am authorized to sign and submit this application on behalf of the applicant. My signature certifies that all information included in the application is accurate. I understand that all information submitted is subject to verification.
